Antone Melton-Meaux Raises \$100,000 In Less Than 24 Hours

Minneapolis, Minn. – Antone Melton-Meaux announced today he has raised \$100,000 in less than 24 hours since he launched his bid as a Democrat in Minnesota’s Fifth Congressional District.

“I’m humbled and honored by this incredible support for me and my campaign. Our great first day yesterday demonstrates the strength of our organization and the excitement we’re already generating.

“I’m truly grateful for the support from each and every person who has donated to me so far. An outpouring like this--especially when we’re just getting started--will help us continue to build a robust, well-run campaign that focuses on the people of the Fifth.”
