Minneapolis, Minn. – Antone Melton-Meaux, Democratic candidate for Minnesota’s Fifth Congressional District, announced that he has raised over \$200,000 to date, with more than \$180,000 cash on hand.

“Just over a month into the campaign, I’m thrilled with the continued enthusiasm and support. Our team is proud that 86% of our contributions are from Minnesota, with 62% of those investing in the campaign being Fifth District residents. Clearly, they’re resonating with my commitment to being focused on the Fifth,” said Antone.
